

Meet the WM Office Staff

Hello beautiful ladies! My name is [Kimberly Wilkerson](#), but you can call me Kim. I have been privileged to serve as administrative assistant to the General WM Director for the past 10 years. What a blessing to be mentored first by [Mary Belle Johnson](#) and then by [Jewelle Stewart](#). Now, there is a new leader at the helm, [Tamè Lambert](#), and a new ministry division we belong to: Discipleship Ministries. It's exciting. I'm all about adventure, so I have my seatbelt buckled, and I'm hanging on tight. I think WM is going on the ride of her life.

My life is blessed by the presence of my wonderful husband, [Phil](#). We met in 2004, and married in 2005. I was a wee babe of 38 years old at the time. Phil is a high school band director, and I used to be a piano teacher. We like to pretend we are the stars of the old musical *The Music Man*. We enjoy concerts, travel, adventurous eating, helping others, and being a part of our church. We live in a 100-year-old farm house we enjoy improving (when we aren't spending money on all the other things we enjoy). When I'm not busy working on extremely important WM projects I spend my time in several other ways: as children's pastor at Passion Church, as Heartland Conference GM Director, as an age-level editor for One Accord Resources, and as a wife, daughter, sister, and aunt.

I look forward to working with and serving each of you in whatever way I can. In closing, I want to encourage you with the following words from one of my favorite quotes: *"If Christ lives in us, controlling our lives, we will leave glorious marks on the lives we touch; not because of our lovely character, but because of His."*
Eugenia Price

My name is [Michale Palacios](#). I am twenty-two years old and have served part-time with Women's Ministries since February 2008. Being a part of Women's Ministries allows me to observe amazing women at work for His glory. I truly consider my work here a privilege and wonderful learning experience.

I was born in Tulsa, Oklahoma, where I spent my years growing up. After graduating high school, I attended Southwestern Christian University. I received my B.A. in Human and Family Services in 2009 along with wonderful memories and life long friends. I will forever be grateful for the institution. I like to be with friends and family in my spare time. Visiting over food is one of my favorite things. I enjoy movie marathons and reading books. I also enjoy playing music.

I have been married almost two months now! My husband is [Aaron Palacios](#). He also attended SCU and now serves as the Resident Director there. We are a great team and are excited about God's plan for our lives. We attend Passion Ministries and are both involved in youth ministry, worship team, and I help with children's ministry.

Thanks for the opportunity to work and serve with you.
